Shimoga, Dated the 7th January 1926

The President, District Board,
Shimoga District.

To

The Secretary to Government of Mysore,
Local and Legislative Departments,
Bangalore.

Sir,

I have the honour to state that the Village Panchayet of Anavatti in the Sorab Taluk proposed at its meeting held in August 1925 for appointing a watchman to the drinking water honda in the village on a pay of Rs 5/- per month out of its funds. The proposal having been approved by the Taluk Board, the President recommended the same to the District Board with his report No. 198 dated the 12th November 1925. The recommendation was sanctioned by the District Board at their meeting held on 23rd December 1925. A copy of the resolution passed by the District Board in the matter is enclosed herein for information. At Anavatti the main source of water for drinking purposes is from the honda under reference and it is therefore necessary to keep it free from pollution by employing a watchman. The President of the Taluk Board has in -- anticipation of approval entertained a watchman from 1st October 1925. His action may be ratified. I ~~will~~ request you will be so good as to obtain the sanction of Government to the

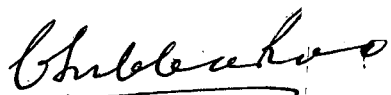

the recommendation of the District Board.

The file of vernacular correspondence is enclosed herein
for reference and favour of retransmission.

I have the honour to be,

Sir,

Your most obedient servant,
